

# Downloading from Your Computer to Your kindle

## 1. Go to Live-brary.com

Our Kindle books are borrowed at **Live-brary.com**

- Go to **Live-brary.com** through your computer
- Click on **Downloads**
- You can browse all eBooks via the link on the left side bar or use the search box
- Select the book jacket of the book you are interested in borrowing

There are different types of items. You want to look for "Kindle Book"

If no copies were available, this would say "Add to Waitlist"

- Click **Add to My Cart. Follow the steps through Confirm Checkout**
- When prompted select your library and enter your library card number
- You will be offered a 7 or 14 day loan.

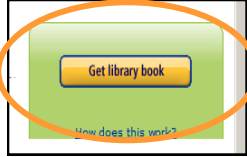

### Books will expire when the loan period is up

If you wish to return an item early, go to **Manage My Kindle @ Amazon**, open the drop down menu to the right of the item you wish to return and **select return**

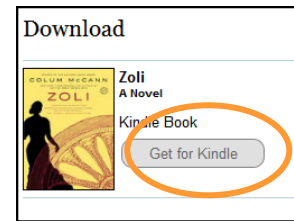

**Tip:** To search only for Kindle Books, click on **Advanced Search** and set format to Kindle Book . You can also check **Only show titles with copies available** if you want to see items that are currently available

## 2. Amazon

When you hit the Get for Kindle button, you will be sent to Amazon.com to complete the download.

At Amazon, select “Get Library Book” and sign in to your Amazon Account.

A screenshot of the Amazon "Sign In" page. It asks for an email address and a password. There are radio buttons for "No, I am a new customer." and "Yes, I have a password:". There is a "Sign in using our secure server" link at the bottom.

If you choose to download via wifi, follow the steps and the book should appear as soon as wifi is detected. **Wireless downloading can only happen on a Kindle with an active wireless connection.** If your Kindle does not detect wireless, or you use a 3G Kindle, you must download via usb. Items downloaded via usb should be placed in the “My Documents Folder” of your Kindle.

## 3. Downloading Audiobooks

You can also borrow MP3 audiobooks from Live-brary.com Downloads. This will need to be done via usb.

1. Browse Live-brary.com downloads for MP3 audiobooks and follow the steps to Checkout.
2. When you hit Download, you computer should prompt you to open or save the item. Opt to **save** the item to your **Desktop**.  
*\*\*Please note that individual computer set ups will vary\*\**

If you have the Overdrive Media Console downloaded onto your computer, the item will open in the Console. Read the screen; it will give you the option to pick where you want the item saved. **Browse** and select **Desk Top**.

3. Plug your Kindle into your computer via usb. Opt to **view the files** on your Kindle.
4. **Click and drag** the book from your desktop into the “**Music**” folder on your Kindle .
